- Build your own projects or access projects shared by other educators

Monitor engagement as you measure growth

Actionable data through a series of 12 reports informs instruction while supporting program accountability requirements. Educators see customized information on student progress in key categories such as usage and proficiency, growth over time, and habits and trends.

Core Report

- Monitor student activity and progress including number of books opened, books completely read, pages read, minutes spent reading, and Lexile® level

Lexiles Report

- Know which students haven't taken a benchmark exam
- See who is on track to meet the yearly growth goal so you can intervene and close gaps

Flexibility:

Your students, your choices

All myON Reader subscriptions include a core library with thousands of digital titles.

You'll immediately have fiction and nonfiction content to meet a broad range of interests, grades, and reading levels. Add new content to your collection anytime and customize a package that meets your needs and goals.

Building engagement with current events and world news

myON® News, powered by News-O-Matic, delivers high-interest, age-appropriate news articles written specifically for kids, reporting on timely topics and current events to help students develop a better understanding of the world. These engaging daily news articles can be added to your myON Reader subscription or purchased separately.

- 5 daily news articles 52 weeks a year
- Safe, age-appropriate content reviewed by a child psychologist
- Available in English, Spanish, and French and written in 3 Lexile® levels
- Searchable archive of over 2,000 articles
- Teacher Guides with helpful resources for classroom use
- Articles can be read independently or assigned as myON Reader Projects

Making news and nonfiction fun and interactive

Engaging multimedia tools help students better understand the news while gaining digital skills.

Articles can be read in English, Spanish, or French and include optional audio support in each language.

Title recommendations from the myON Reader library are paired with each article.

Engage students in reading, anytime, anywhere

It's magical how every student reads more when you provide unlimited access to a personalized library of books. Students choose from recommendations based on their interests and Lexile® reading level or browse the full library available under a school or organization subscription.
